JUNE 2023 Client Newsletter

MANAGER'S MINUTE

June is here and the kids are out of school which means it's vacation season! Do you have any trips planned this summer? My family is looking forward to our family vacation at Norris Lake this month. The big annual Chickasaw Picnic is June 2nd-4th this year to kick off picnic season. On the 4th there will be the Chickasaw Picnic Parade where you can find Renee, Andy and Joe handing out goodies for everyone to enjoy. Unfortunately the rest of the clan will not be able to attend because we will all be out of town. Everyone here at Chickasaw Garage would like to wish all the Dad's a Happy Father's Day! I know that being a father is one of the greatest joys I have had in my life. This year in honor of Father's Day we will be giving away a 2 burner Blackstone Grill. To enter to win be sure to stop in at Chickasaw Garage and fill out an entry form or fill out an entry form on our website or on Facebook. Good luck! Nonetheless, I'd like to thank everyone for the continued support so far this year and remind everyone to be sure to schedule your vehicles in advance for your vacation checks!

Sincerely, Ted Heitbrink

DON'T LET TIRES FLATTEN YOUR SUMMER TRAVEL PLANS!

Getting a flat tire is no fun for anyone at any time, especially on vacation. To keep your summer road trip rolling along, the non-profit Car Care Council recommends a quick tire check before you leave the driveway.

"The excitement of summer driving quickly deflates when your car has a flat tire," says Rich White, Executive Director, Car Care Council. "A quick four-step tire check will help you to avoid the aggravation of changing a flat tire on the side of the road."

- Check that all tires, including the spare, are inflated to recommended pressure levels.
- Check tire tread depth with a simple penny test – if you see Lincoln's head above the tread, then it is time for new tires.
- Check for irregular wear as uneven wear indicates a need for wheel alignment.
- Check tires for cuts, bruises, bulges, bald spots, or other irregularities that can lead to a flat tire.

"AAA expects to get calls from over seven million stranded motorists each summer and a good portion of those vehicle troubles will be tire related," said White. "A comprehensive pre-trip vehicle inspection, including the tires, is the best way to alert you of any potential issues so you can address them before you leave home and keep your road trip on track."

Summer Tomato & Burrata Salad

• Prep Time: 10 mins • Cook Time: 0 mins • Makes: 4 Servings

Ingredients

1 to 2 4-ounce balls burrata cheese 1 handful fresh basil leaves and thyme sprigs
Summer fruit: heirloom tomatoes, ripe peaches, watermelon, cantaloupe or honeydew, berries, etc. Extra virgin olive oil Chunky sea salt

Directions

1. Place 1 ball burrata on the plate.
2. Surround it with the summer fruit (sliced tomatoes or peaches, or berries).
3. Top with torn basil leaves and other herbs. If desired, add torn pieces of another ball of burrata to add texture and visual appeal.
4. Drizzle with olive oil and sprinkle with chunky sea salt. Serve immediately.

Where to buy burrata cheese?

These days, you can find burrata in many grocery stores in the us! Look in the specialty cheeses section, next to the fresh mozzarella. It's sold in a container with liquid, usually either one or two balls packaged together. You can sometimes find specialty cheeses at a farmers market or specialty grocery, too.

WE WILL NEVER FORGET

On June 6th, 1944, United States soldiers, in one of the most pivotal battles of World War II, invaded the French coastline in order to propel German soldiers out of Western Europe and lead the way for victory. Dedicated on June 6th, 2001, by President George W. Bush, the National D-Day Memorial was constructed in honor of those who died that day, fighting in one of the most significant battles in our nation's history. The monument receives an average of 60,000 visitors a year and is a profound addition to America's War Memorials.
