THANKS FOR THE KIND WORDS!

"Always with an eye for efficiency and good car care, Ted and Renee were no exception today. I only needed an oil change and tire rotation. Renee made an appointment so that I could wait for my vehicle, and Ted took the time to communicate a few things. I actually spent less money, not more!! How refreshing! Highly recommend their garage for all car care." - Christine G

"This was my first time having my car worked on at Chickasaw Garage. I really liked the pickup and delivery option, and being able to pay online was great. I will definitely return when the need arises." - Bobbie K

LEARN THE ABC'S OF CAR CARE

Back-to-school season is the ideal time to review your ABCs; the ABCs of car care, that is. The Car Care Council recommends that motorists brush up on their auto care knowledge to make sure their vehicle is operating at its most efficient level before the school year commences and the onset of fall and winter weather.

The ABCs of basic car care include:

- **A** – Always follow a vehicle service schedule.
- **B** – Be sure to have your car inspected when you suspect there is a problem.
- **C** – Correct the problem to help avoid the inconvenience and potential safety hazards of breaking down away from home.

“By following these three basic car care tips, motorists can address minor issues before they become more complicated and more expensive repairs,” said Nathan Perrine, executive director, Car Care Council. “The ‘Five Point Check-Up’ featured in our back-to-school video offers valuable maintenance and safety tips that will help families get their vehicles ready for transportation needs during the school year.”

Produced in conjunction with AutoNetTV Media, the Car Care Council’s informative video entitled “Back to School Tips” can be viewed at www.youtube.com/watch?v=gaW4Q7yt1QY. Motorists can also visit www.carcare.org to view the popular 80-page Car Care Guide and sign up for the council’s free personalized service schedule and email reminder service. To order a free copy of the popular Car Care Guide, visit the council’s consumer education website at www.carcare.org.
